The Xavier's Steering Committee of Xavier University, Bhubaneswar presents the very first edition of **Xamboree – the flagship event of Xavier University, Bhubaneswar, which is slated to be the biggest Cultural – Management fest of Eastern India**. Spread across 3 days, from **4th-6th October 2018**. **Xamboree**, the pioneering management fest of Xavier University, Bhubaneswar is a unique opportunity for young community across various B-Schools to explore their talents and experience the diverse mindsets which the hallow grounds of this campus offers. Unfurling in the month of October , it attracts participants from over 90 B-Schools and 80 undergraduate colleges from all over the country.

It is a blend of individuals and groups from diverse backgrounds coming together for music, art, theater, literature and business events and will put to test their intellectual, oratory, artistic, creative skills and business inclination. It is expected to have **more than 100 educational institutions participating** and a **footfall of over 5000**. This is the platform to inspire and be inspired, and it stays true to its vision of motivating the youth of our nation to think out of the box, expand their horizons and reach the zenith of success in all their endeavors. The students of **School of Human Resource Management, School of Rural Management, School of Sustainability Management, Xavier Center of Urban Management & Governance, and School of Commerce** have left no stone unturned to ensure that the magnum opus is a huge success.

A myriad of exhilarating events is lined up with loads of exciting prizes to offer.

The first day will witness stage events, including '**Dhwani**', a musical extravaganza, and a fashion show christened '**Runway Roll**'. The student body have planned business events like **Gladiator**, **Proact**, **Urbrainiac**, **Skill City** and **Business Buzz** which are an amalgamation of management scenarios prevailing in the real world, **Quereka**, a quizzing trivia, **Samriddhi**, a platform for participants to present their business model for social enterprises which can mitigate emergent social problems; **Origami**, a platform for literary connoisseurs to display their skills, **Shristi**, a short film festival ; **Xpress on Air**, a RJ hunt. The **MUN (Modern United Nations)** will commence on the first day, and a **Handicraft Stall** will be put up in the campus for all three days of the fest where the work of our precious Mess Staff will be on sale.

Day two will comprise of '**Sonix**', a battle of bands, followed by the finale of **Dhwani** and **Chakravyuh**, a business simulation game. The Social Responsibility Cell of XUB along with X-Seed, the entrepreneurship cell, is providing the students a platform to present their business models in '**Samriddhi**'. '**Shristi**', a photography competition will be conducted by X-lens, the photography society of Xavier University, Bhubaneswar while XIMAHR, the student's association of School of Human Resource Management, will be organizing a problem-solving simulation called **Case In point**. A workshop will be organized for the Literature Lovers by the famous **Scribbled Stories**.

The final day will start with **Tamasha**, the street play competition, followed by **Footloose**, an event dedicated to all the dancers. **Viraasat**, a celebration of the culture of our past and present, by the XUB chapter of

SPICMACAY, will also be held on the last day along with an inter college social entrepreneurship competition, **Spardha**. The grand finale will be **Celeblitz**, a musical fiesta by the most sensational rapper in the country – **Badshah**, accompanied by the very talented **Aastha Gill**, enchanting the audience with their popular songs.

This 3-day spectacle promises to be a unique experience for everyone who believes in the power of the students, who, through their medium of expression, are steering the winds of change.
